Mrs. Sandra Edwards
Principal

Principal's Message

Happy Fall! It is hard to believe that it's September already. The first nine weeks of school is well underway and it has been a phenomenal opening. As a whole, we are off to a good start. Our staff and faculty are working hard to ensure your student's educational experience will be amazing and rewarding. A student's educational experience is influenced by the relationship between school, parent and their teachers. Remember to keep in contact with your student's teachers weekly through emails and social media.

I want to encourage all students to become involved in at least one extra-curricular activity; we have something for everyone. Whether it's a club, sport, or tutorial program at Atlantic, there are opportunities for all students to develop their unique talents and interest.

Our first "Spirit Week" is just around the corner. School spirit will quite literally lift their spirit and create a sense of general happiness and positivity. This type of atmosphere encourages students and whenever you are in a good positive mood it's easy to think positive and want to achieve success.

We always look for opportunity to celebrate our student's success. I am excited this school year, the chance to see all of our Eagles shine and opportunities to celebrate their success.

Proud Principal,
Sandra Edwards

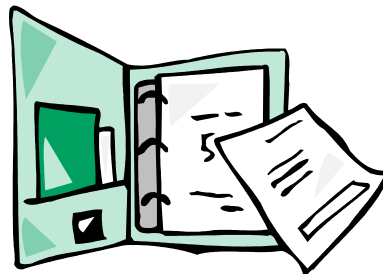

School Advisory Council (SAC) & Parent Teacher Student Association (PTSA) Parents! Looking for a way to get involved here at Atlantic? Please come join us at our PTSA and SAC meeting where you can participate in making ATL a great place to for all our students! Look for meeting dates and times on our school website.

Calling all Eagles

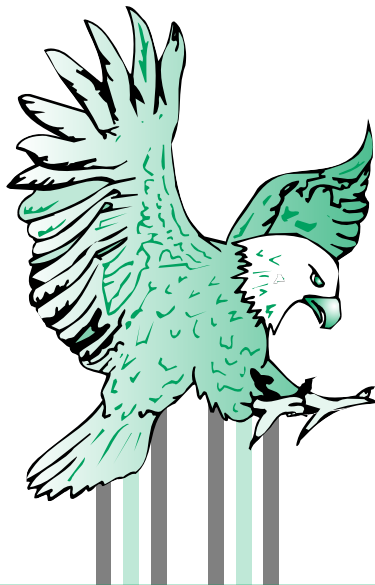

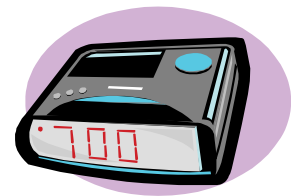

Tips for a Successful School Year Calling all Eagles: make this year your best year yet! Here are some quick tips to set yourself up for success.

1. **Use an agenda or planner** to keep track of assignments, tests, and activities. We have a lot going on both in and out of the classroom and you do not want to forget an important date!

2. **Stay organized** - make sure to use your binder; keep all papers and assignments in chronological order so you can easily go back when it's time to prepare for exams.

3. **Time management** – set a time to study and do your assignments.

4. **Get involved!** Academics are important but so are your hobbies and interests. It's a great way to become a part of our Eagle family.

5. **Start planning for the future now** – keep track of your graduation requirements. Not sure what you need? Make an appointment with your guidance counselor and set up a plan for your post-graduate success.
