## Counseling Department

### Dual Enrollment at FSW

Did you know that you can earn college credits while you are in high school? Qualified high school students can earn college credits to fulfill high school graduation requirements. These same credits can be used toward an Associate of Arts or Associate of Science degree at Florida SouthWestern State College. You can do all of this without paying for the courses yourself! Dual enrollment registration for the Fall 2025 semester opens in April. Students interested in qualifying for dual enrollment should reach out to their school counselor as soon as possible to make sure they qualify in time for registration.

### FGCU ACE

The Accelerated Collegiate Experience (ACE) at FGCU is designed to bring a unique and scholarly experience to qualified high school junior and senior students who are seeking an advanced study option through full-time dual enrollment. A student may earn college credit through coursework taken at FGCU while simultaneously completing the high school diploma. Refer to this link for more information on qualifying and applying for this program: <https://www.fgcu.edu/admissionsandaid/ace/>

### FAFSA and Bright Futures

1. The FAFSA is a free application for Federal Student Aid that is used to determine students' eligibility for post-secondary financial aid. We encourage all our seniors to complete this application to see if they qualify for financial assistance to help pay for college or a technical program. The website is: <https://fafsa.gov/>
2. The Florida Department of Education, Office of Student Financial Assistance (OSFA), administers a variety of state-funded grants and scholarships to assist Florida residents with the cost of their postsecondary education. This Florida Financial Aid Application (FFAA) can be submitted at: <https://www.floridastudentfinancialaidsg.org/SAPHOME/SAPHOME> Completing this application serves several purposes, including applying for all the various levels of the Bright Futures Scholarship. For more information regarding each respective level and it's requirements please go to: <https://www.floridastudentfinancialaidsg.org/SAPBFMAIN/SAPBFMAIN> Students need to attain a certain GPA, SAT/ACT test scores, and work hours/community service hours to qualify for the various levels of the Bright Futures Scholarship. They should meet with their school counselor to discuss submitting hours. The FAFSA will open sometime in December and the FFAA application will open October 1st. Please reach out to your student's school counselor if you have any questions or concerns.

### Asbestos/AHERA Notice

Notification of the Possible Presence of Asbestos-Containing Materials in the School Cape Coral High School, February 2025.

In 1986 Congress created AHERA (The Asbestos Hazard Emergency Response Act). This act requires all school districts to put the below information out to parents, students, and possible visitors. All district sites have a current AHERA (The Asbestos Hazard Emergency Response Act) Inspection and most have a letter of exemption on file from the architect. Certain asbestos-containing materials or assumed asbestos-containing materials such as: fire doors, roofing materials, or other building materials could still contain ACM and are monitored for no damage. In the School District of Lee County there is an active management plan for each district site. The report listing the location, quantities, and condition of any or all known materials, is available at the school's front office for inspection during normal school hours. Copies of the school's asbestos file can be supplied to you at a cost.

### Unified Basketball Tournament

On October 30th, Dr. Gamache and Coach Ebbert were thrilled and deeply grateful to host a unified basketball tournament for our Lee County Special Olympic athletes. The event was more than just a competition, it became a true celebration of community, diversity, and teamwork, bringing together players from all backgrounds, abilities, and experiences on one court. Our goal was to create a space where everyone felt welcomed, valued, and empowered to play the game we all love, regardless of their skill level or background.

## French National Honor Society

The French National Honor Society met on Thursday, December 5th. The club's officers planned a fun activity for members and discussed an upcoming service project. The activity was an excellent way for those in the club to learn more about each other, which is vital for working together. The club's next service project is to host a Zoom meeting with the French students at Trafalgar Middle School, to talk to them about how French is at the high school level. They want to be able to answer any questions the middle schoolers may have about French, IB, or high school in general. Overall, the French National Honor Society's December had a very successful meeting.
