SEAHAWK TALK

Principal's Message

Seahawk Family,

Well Seahawks, we have made it through Quarter 1 of the 2024-25 school year. This year has been exciting and had a favorable start. We are seeing such positive energy flow through the building this year resulting in such an improved culture at the school!

I am really excited about the implementation of our Seahawk Freshman Academy this year. We hired an additional guidance counselor (Mrs. Scibetta) and a Freshman Resource teacher (Mr. Uphoff), who have been game changers in the way we focus on our 9th grade students. The purpose of this program is to make sure our 9th grade students are on track to move forward and graduate on time. We have developed a Seahawk Freshman Academy professional learning community (PLC) that includes 24 teachers who meet twice a month to discuss academics, discipline, and attendance. This PLC has developed strong plans that include minimal use of the Chromebook (back to the pencil and paper method), no cell phones, and shared teaching strategies. This has resulted in a significant drop in discipline and an average attendance of over 94% for the 1st quarter.

Our upper-level counselors continue to work hard with our seniors to make sure they are on track to walk across the stage in May with their diploma. Our mission continues to be to prepare our Seahawk students to be ready to lead when they leave Cape Coral High School. Seahawks, I thank you for the continued effort in leading our school culture in such a positive direction. We can't do this alone, and your efforts are truly making a difference!

Respectfully,
Ryan Jackson, *Principal*

IB Program

On September 18th we held our IB Senior Extended Essay Celebration to recognize our IB Seniors for submitting their final IB Extended Essays (EEs). The EEs are 3,000-to-4,000-word research papers that they have been working on for about 9 months. We were able to celebrate this milestone with a breakfast catered by our very own Breezy's Bistro (CCHS culinary students) and sponsored by Sullivan State Farm. Special guests at the event who visited students to discuss their research included Cape Coral Mayor Gunter, West Zone Superintendent Mr. Vilardi, School Board Member Mr. Fischer, and other local school administrators and law enforcement. We had a great time!

The IB Ambassadors hosted a Fall IB Social for all IB Program students on October 2nd. The IB students and staff enjoyed playing board games, cornhole, ring toss, pin the eye on the jack-o-lantern, and socializing with treats. Thank you to everyone who donated to this event! We look forward to a winter holiday themed social in December.

On Wednesday, October 23rd, we will be hosting a parent informational meeting for all IB Junior parents at 6:30pm in the CCHS Auditorium. This meeting will review the IB requirements including CAS and the EE. We hope to have all our IB Junior parents join us!

If you have questions or concerns about the CCHS IB Program please do not hesitate to reach out to the IB Coordinator, Mrs. Katelyn Uhler, or the IB School Counselor, Mrs. Caroline Toadvine.

1. The FAFSA is a free application for Federal Student Aid that is used to determine students' eligibility for post-secondary financial aid. We encourage all of our seniors to complete this application to see if they qualify for financial assistance to help pay for college or a technical program. The website is: <https://fafsa.gov/>
2. The Florida Department of Education, Office of Student Financial Assistance (OSFA), administers a variety of state-funded grants and scholarships to assist Florida residents with the cost of their postsecondary education. This Florida Financial Aid Application (FFAA) can be submitted at: <https://www.floridastudentfinancialaid.org/SAPHOME/SAPHOME> Completing this application serves several purposes, including applying for all the various levels of the Bright Futures Scholarship. For more information regarding each respective level and its requirements please go to: <https://www.floridastudentfinancialaid.org/SAPBFMAIN/SAPBFMAIN> Students need to attain a certain GPA, SAT/ACT test scores, and work hours/community service hours to qualify for the various levels of the Bright Futures Scholarship. They should meet with their school counselor to discuss submitting hours.

The FAFSA will open sometime in December and the FFAA application will open October 1st. Please reach out to your student's school counselor if you have any questions or concerns.

College & Careers

What is the difference between early action (EA) and early decision (ED) for college?

Early decision (ED) plans are binding: A student who is accepted as an ED applicant must attend the college. Early action (EA) plans are nonbinding: Students receive an early response to their application but do not have to commit to the college until the normal reply date of May 1. Students interested in ED or EA must apply by November 1st.

Important updates:

Dr. Travis-McCarter will be going to English classes throughout October to assist seniors in setting up their FSA ID for Free Application for Federal Student Aid (FAFSA) and completing their Florida Financial Aid Application (FFAA) applications.

Students can join **google classroom: 5b4n7mf** for a list of available scholarships, updates about college and career opportunities, and college visits.

French National Honor Society

The Cape High chapter of the French National Honor Society had its first meeting of the new school year on September 5th. They started the year off with a bracelet-making activity, where all the members made a friendship-style bracelet of their favorite French word. Officers brought in all sorts of materials and decorations for the bracelets, including letters, colorful beads, and charms. It was a fun and interactive team-building activity that got everyone in the club involved. A new opportunity for club involvement was created by the club's historian, Alexandra Souto, called French Fridays. The idea behind French Fridays is that each Friday, one member of FNHS sends in a fact about French culture or about current French news to be posted on the club's Instagram page. It's a way to get members more involved in the French culture. The officers of the French National Honor Society have many service projects planned for this school year as well. Some of these include making goodie bags, a beach cleanup, and making French foods for the teachers and staff at Cape High. Overall, it looks like it is going to be an exciting and productive year for the French National Honor Society.

National English Honor Society

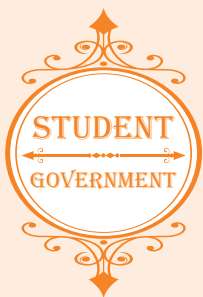

National English Honor Society (NEHS) is a club that takes a special interest in English Language Arts and builds upon that together during the 2nd Thursday of every month in room 215. We recognize those with this interest and this club is made to be a welcoming environment that promotes a love for literature and the English language. Activities include writing, reading, crafts, service, volunteering, and discussing literature in our book club. If you are looking for book-minded people like you, come join us!
