CLEARWATER HIGH SCHOOL HOME OF THE TORNADOES

Principal's Message

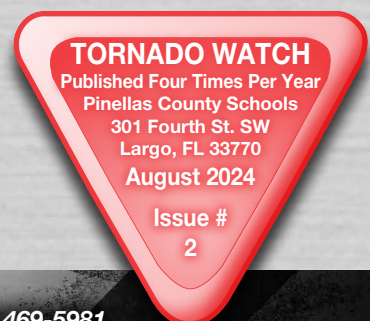

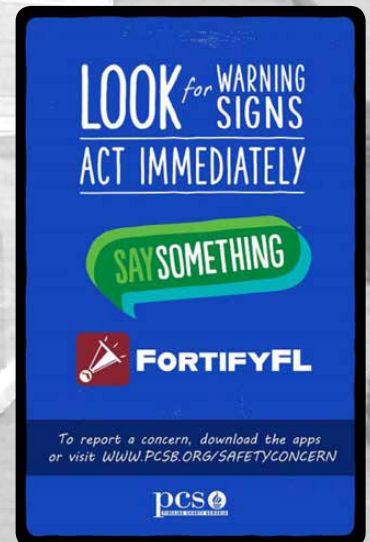

To the families, students, staff, and community of Clearwater High School,

I am thrilled, excited, honored and humbled to be your principal at Clearwater High School. I started my career in education as an intern and teacher at Clearwater High School in 1997. To return to a brand-new facility with the tradition, honor and pride of a formidable school, community and alumni is truly a dream come true. As I told our faculty and staff when introduced to them, I first saw Clearwater High School on a visit from my home state of New Jersey, like millions before, on our way to Clearwater Beach. I vividly remember the size of the stadium and thought – “Wow what a school!” – I wonder what it would be like to go there – to play in that stadium – to be a part of that school. Years later I got to experience walking the halls, teaching, and coaching the students and getting acquainted with this great community. To return as principal is truly a daydream turned reality.

Our focus for the 2024.25 school year and moving forward will be to build and continue to grow from the foundation and bedrock of success this school, students, staff, and community have constructed. We will not rest on our laurels or live in the past – but move forward with honor and pride- respect our traditions and build a better future for all our students. Our teachers and staff will boldly face the challenge of our mission, examine everything we do and ensure we are improving to create a future for our students previously thought impossible. We will challenge our students to be leaders, to move forward with a laser like focus on improvement, getting one day better, every day, until what was once thought impossible becomes a reality.

Please know safety and security of our students, staff and campus community are paramount. We will always ensure we are doing everything we can to ensure our school and environment are a safe place for all. As in educating a child, we consider safety and security to be a partnership with parents, guardians, and families.

Principal's Message continues...

We will push our students into higher academics and make sure they are prepared and equipped to be their best. We will focus on leadership, as leaders are able to adapt, improvise and overcome. We will not rest, we will not waver, we will steadfastly work toward those objectives. We will work together, no one goes it alone and together we can and will achieve all our goals!

Thank you for your continued and sustained support of our school!

Robert C. Florio
Principal
