A Note From The Principal

Cougar Family,

We hope your family has recovered from the unprecedented storms that have greatly impacted our school community. As we enter the second academic quarter, the goal of our administration is to immediately re-establish learning and academic pacing to support the success of all our Cougars. This new quarter brings new opportunities to refresh academic goals and re-establish good habits for a successful finish to the semester. We have backed our annual homecoming events up to the week of November 16, as we have had two interruptions to our planned days. Homecoming week will include dress up days, a competitive pep rally, and a bayou-themed dance.

As our students engage in the second quarter, we want to remind families that CHS also provides credit recovery for all core academic areas to support each Cougar graduating on time. Tutoring has been expanded this quarter at Countryside High School to include Mondays and Wednesdays in the media center. Please reach out to our school counselors or administration should you need any academic support for your student.

We look forward to an exciting winter sports and activities schedule as we offer soccer, basketball, and wrestling. Our school has experienced great attendance this year at athletic events and evening performances. Student tickets are available for each athletic event and performance on campus and are sold during lunches.

Thank you again for supporting our school and always supporting our Cougars. We will see you on campus soon!

Go Cougars!

Taylor K. Henderson, Sr.
Principal

Student Parking

This 2024/2025 school year Countryside High School will begin enforcing the need for students to purchase a parking pass to park on school property. In today's school environment, security is of the utmost importance. Our staff must be able to know whether a vehicle has a right to be parked on campus or if someone has entered the campus without permission. Students will be required to purchase the general parking permit for \$5. The basic parking placard, which will hang from the rear-view mirror, will allow staff to identify which vehicles do belong on school property.

The students will be given a grace period, until September 5th, to purchase the parking placard. After that there will be a progression of discipline. It will be as follows:

- **1st offense:** Written Warning (grace period to buy placard)
- **2nd offense:** A referral to their AP for inability to follow school rules.
- **3rd offense:** A referral to their AP and parking privileges revoked until parking permit purchased.
- **4th offense:** the vehicle will be booted (wheel lock). A parking permit would need to be purchased/arranged for when released.
- **5th offense:** The vehicle will be towed from the property, continuously towed until they purchase a placard. (Cost of the tow will be the responsibility of vehicle owner)

The placards can be purchased on Revtrak.com. Once purchased, your child will be able to get their placard from the SRO office.

We would appreciate your cooperation in complying with the parking requirements. If there are any questions, feel free to contact our SROs, Ofc. Comini and Ofc. Faulk.

All Things Attendance

Cougar students and families

First, I would like to thank all of you for your continued support and communication regarding your student and their attendance. Each day many of you reach out and let us know if your student will be attending school, any hardships they may be experiencing or to ask questions about their attendance. It is our vision here at CHS to graduate 100% of our students. One major component toward achieving this vision is every student is in attendance and not missing valuable instructional time.

Below I have listed a general breakdown of some of our attendance policies. These are the most common areas I get questions regarding students' attendance:

1. Tardies – student is not present in class when bell rings

- 1 – 10 minutes late = TAR (tardy)
- 11- 22 minutes late = EXT (extreme tardy)
- 23 + minutes = PND w/comment (absent majority of class period)

*Every 3rd tardy = an absence (excused or unexcused) Also, there are additional consequences for excessive tardiness.

Such as:

1-2 = Teacher warning

3-4 = Teacher Contact Parent

5 = Assigned lunch detention

6+ = Teacher written disciplinary referral with progressive consequences (ISS)

2. PTL – permission to leave early (requested by parent or guardian in person, by email or note sent with student)

- a. PTL's do affect your students' attendance record
- b. *Every 3rd early release = an absence (excused or unexcused)
- c. We ask that you try and schedule all doctors' appointments during non-school hours, if possible

3. Absences – Parent or Guardian must notify Mrs. Perry of their student's absence prior to the end of the school day of the absence, if possible, provide written notification within 48 hours of the students' return to school. Otherwise, the absence is unexcused.

- a. The maximum number of days that a student may be absent without acceptable documentation justifying the absence is five (5) consecutive days.
- b. After five (5) days, the parent or guardian will need to provide documentation from a physician or public health unit within 48 hours of the student returning to school.

4. Testing attendance – student attendance during this time, is taken at the location of the test by a Proctor. The Proctor, at the end of the allotted testing time will submit the attendance rosters to me and I will update this information in your students' portal. Please be patient, this process may take up to a day or more to update.

5. Reporting your students' absence – You may go to <https://www.pcsb.org/countryside-hs> click the link on the top right "Report a Student Absence" Please include student name, date of absence, reason, birthdate and grade. If applicable, please attach any supporting documentation.

You may also call Mrs. Perry at – (727)-725-7956 ext 2051 or email perrypa@pcsb.org

6. Where to locate the Pinellas County Attendance Policy, please visit: <http://www.pcsb.org/Page15059> on the Pinellas County Schools website www.pcsb.org

Again, thank you so much for your continued support and if you have any further questions, please do not hesitate to let me know.

Mrs. Perry
