## Letter from the Principal

Dear Pirates,

It is hard to believe that we are well into the second quarter of the school year. Despite some obstacles that tried to sway our path, such as Hurricane Ian, our students and teachers have successfully maintained focus on what is important: student success.

It has been an exciting Fall. Our Homecoming activities were a big success. Student and staff participation exceeded our expectations. Congratulations to our homecoming court and especially to our Queen Ava Austin and King Asa Austin.

We are pleased to announce and congratulate our 2023 Crystal River High School Teacher of the Year, Karl Sieg and our 2022 School-Related Employee of the Year, Joni Miller. Mr. Sieg and Mrs. Miller are outstanding representatives of CRHS, and we are fortunate to have them as part of a team of professionals devoted to our students, our school, and our district.

As we always do during the month of November, we reflect upon our blessings and all we are thankful for. We are so excited that our students are improving academically and continue to excel in athletics and extracurricular activities. Our students encourage us with their enthusiasm and dedication to reach their goals.

As we enter the holiday season, I am reminded how thankful I am to have the privilege to serve you in this capacity. CRHS is a great school community and I continue to be grateful for your encouragement and support.

I wish you a safe and enjoyable holiday season!

Sincerely,  
Phillip K McLeod  
Principal

**A MESSAGE FROM THE GUIDANCE COUNSELORS**

The counselors and staff in the Guidance Department diligently strive to serve the needs of each student and help them reach their full potential while enrolled at CRHS. From the student's first day of enrollment until graduation, our guidance department is designed to help students understand their academic options, set personal goals and achieve academic and vocational success. Students can find help in discovering the many choices and opportunities available to them by visiting our guidance office frequently throughout the school year. Questions students and parents may have regarding careers, scholarships, testing, exams, college applications, and course requirements can be acquired from our staff. We also encourage students and parents, friends, and family to "LIKE" and "SHARE" the news and announcements we post on our Crystal River High School Department FACEBOOK page.

**FAMILY ACCESS**

Skyward Family Access allows parents and guardians of Citrus County students to be part of the educational process by using state-of-the-art encryption technology to provide a secure Internet link, allowing parents and guardians the opportunity to monitor educational progress, view student information, and communicate with teachers. Sign up online at [www.citrus.k12.fl.us/skywardfa](http://www.citrus.k12.fl.us/skywardfa). Follow these simple steps:

- **Step 1:** Complete the Skyward Family Access Verification form and follow the instructions on the form. Only one form per family should be completed. Return the form to any school that any child in the family attends. (Note: This form may require installation of the free Adobe Reader.)
- **Step 2:** Once Family Access has been enabled, you will receive an email providing you with your Login and a link to obtain a Password.
- **Step 3:** Use the Family Access Link on the district web site under the Schools tab to access Skyward. There is also a link to the Family Access User Guide. Family Access Signature forms are also available through any guidance department in the district. If you have questions or need help, please contact our guidance department, extension 4816 or 4814 for assistance.

**HOMEROOM**

Each Thursday, homeroom is held for all grade levels. The homeroom teacher on your schedule will be your "home base" during the school year. This is the place where important announcements will be made, midterm reports and other materials distributed and where you can ask questions that come up during the course of the year.

**SCHOLARSHIPS**

Applications for various scholarships are kept on file and are available for student access whenever they visit the guidance office. A list of these applications can also be found on the Citrus County Coalition for College and Careers website at <https://www.citruscollegecoalition.org/local-scholarships>

**Bright Futures Scholarships**

Bright Futures online application process begins October 1, 2021. Students should log on to <http://www.floridastudentfinancialaid.org> to complete the application. You must apply before graduation to be considered.

**Community Service**

Pick up a log sheet and a "Community Service Facts" booklet explaining the specific types of community service that qualifies seniors to receive Bright Futures Scholarships. You must work and record 200 hours of community service in order to receive a gray cord to wear at graduation. Log sheets must be completed and turned into the guidance department by the end of third quarter of the graduation year.

**ONLINE GRADUATION REQUIREMENT**

Students are required to complete an online learning course as part of the 24 credits for high school graduation. Please visit <http://www.flvs.net/> for more information or see your guidance counselor for online course recommendations.

**SCHOOL ADVISORY ENHANCEMENT COUNCIL**

The SAEC welcomes all parents, students and community members who would like to take an active part in assisting with the development, monitoring and evaluation of school improvement goals. The next meeting of this year will January 23rd at 5:30 pm in the media center.

Please contact Jennifer Zizek at [zizekj@citruschools.org](mailto:zizekj@citruschools.org) if you have any questions or would like to attend these meetings. Any revisions to this schedule will be posted on our school calendar of events.

## INFORMATIVE SITES

FHSAA.org is a very informative website for athletes. Any forms that are needed for an athlete for sports is also available for download. Just pull down the "For Parents and Students" bar at the top, and you will find the physical and other forms there as well. Max Preps is also another very good site where you can find schedules, score updates, and stats for all sports here at CRHS.

## ARE YOU AWARE?

The requirements are changing for students who enroll full time at an NCAA Division I school after August 1, 2016. Students must graduate high school and meet ALL the following requirements:

- Complete 16 core courses:
  - Four years of English
  - Three years of math (Algebra 1 or higher)
  - Two years of natural/physical science (including one year of lab science if your high school offers it)
  - One additional year of English, math or natural/physical science
  - Two years of social science
  - Four additional years of English, math, natural/physical science, social science, foreign language, comparative religion or philosophy
- Complete 10 core courses, including seven in English, math or natural/physical science, before the seventh semester. Once students begin their seventh semester, they may not repeat or replace any of those 10 courses to improve their core-course GPA.
- Earn at least a 2.3 GPA in their core courses.
- Earn an SAT combined score or ACT sum score matching their core-course GPA on the Division I sliding scale, which balances their test score and core-course GPA. If students have a low test score, they need a higher core-course GPA to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible. If they have a low core-course GPA, they need a higher test score to be eligible.

For more resources regarding these changes, visit [NCAA.org/student-athletes/play-division-i-sports](http://NCAA.org/student-athletes/play-division-i-sports) or the Division I Academic Requirements Guide.

## HEAT RELATED ILLNESS

As the school year is ending and the Florida heat has returned, we must all be aware of the dangers that heat exposure can cause for our students and ourselves during daily activities. Normally when the temperatures are high, our bodies cool themselves by sweating. When the weather is extremely hot and humid the body's ability to cool itself is impaired. Please pay close attention to our students as they are outside for recess, PE, ROTC, sports, band, or other special events. The following are some tips to help prevent heat related illness:

- Drink plenty of fluids
  - Do not wait until thirsty to drink
  - Take frequent water breaks anytime there is outside activity
- Keep students out of direct sunlight as much as possible
- Monitor children closely

If you have any concerns about a student who is feeling ill after exposure to the heat, please contact the clinic and/or your school nurse as soon as possible.

# GENERAL INFORMATION

## ASBESTOS MANAGEMENT PLAN

Citrus County Schools previously developed an Asbestos Management Program for all facilities. Required re-inspections of the facilities are performed at six month intervals. Information from these re-inspections, along with that from the original Management Plan, is available for review at each facility.

## ABSENCES

When a student has been absent from school, the parent/guardian is required to send a note with the student's legal name, date of absence(s), and reason for the absence(s) signed by the legal parent/guardian to the attendance office within two (2) days of the student's return to school. If the written statement is not provided by the parent, the absence(s) will be unexcused. After 10 days of excused or unexcused absences, a written statement from a licensed health care practitioner will be required for subsequent absences due to illness indicating they are under the supervision of the physician.

## ATTENDANCE

Regular school attendance promotes student achievement and is crucial for academic success, where an academic year is compressed into four months. The Citrus County Attendance Policy requires mandatory school attendance for students 16 years of age and younger. State laws have also been written that govern school attendance. Parents or guardians are responsible for following the compulsory attendance laws and communicating with the school when problems arise so that the school and parent can work together to ensure their child's success. Parents, if at fault for jeopardizing their child's academic success, may be held legally responsible which may include court hearings, fines and/or placement of the child in youth shelters where school attendance is insured.

Students are required to have 90% excused attendance in order to attend Homecoming and Prom. There are absolutely no exceptions to this rule.

Please call Ms. Richardson at extension 4802 if you have any questions or concerns.

## CELL PHONES

Students are allowed to have cell phones on ONLY BEFORE SCHOOL, BETWEEN CLASSES, DURING LUNCHES, AND AFTER SCHOOL. Violations of this policy will result in disciplinary action.

## DELIVERIES

Delivery of non-school related items, e.g. balloons, flowers, fast-food delivery, etc., will not be accepted by the front office. We will attempt to get assignments, school projects, change of clothes, schoolbooks, and other school related items, delivered by parents, to their students.

## DRESS CODE

Appropriate school attire for students is explained on pages 39 – 40 in the Citrus County Code of Conduct.

## DRIVING PRIVILEGES

Students who fail to comply with attendance requirements per Florida Statute, Section 322.091 will have their driver's license revoked by the state if they accumulate 15 unexcused absences in a period of 90 calendar days.

## EARLY DISMISSAL PROCEDURE

Please make sure your child knows about any scheduled appointments or has pertinent family information before he/she leaves for school to avoid miscommunication, missed appointments, to help us keep classroom interruptions to a minimum. There will be no early dismissals taken over the phone. The administration strongly encourages appointments be made outside of school hours but, if an occasion arises that a student does need to leave campus early, please follow this early dismissal procedure:

1. Students must come to the attendance office prior to the first bell with a written note from home and to receive a school issued early dismissal pass.
2. The note from home should contain the following information: student's full legal name, student ID #, reason for leaving school, the date and time student is to be released, parent's/guardian's name and a phone number for verification.
3. No student will be dismissed without an adult signing him/her out in the front office and showing proper identification.
4. Students who leave campus between classes without a note will have unexcused absences recorded for the remainder of the day and face disciplinary action.

## ZERO TOLERANCE

The expectation of the CRHS Administration and Staff is that while you are on campus, you make choices that will positively improve your education and high school experience. The following non-negotiable rules have been adopted by our discipline committee and will be implemented by teachers and staff. Violations will result in disciplinary action.

- Controlled Substances/ Drugs & Alcohol
- Theft / Stealing
- Bullying / Fighting
- Dress Code
- Electronic Devices
- Tardiness
- Insubordination
- Profanity
- Disruptive Behavior
- Excessive Public Display of Affection

## TARDY POLICY

Students are to be in their classroom BEFORE the late bell rings. An unexcused absence will be recorded if a student is more than 20 minutes late to class. If a student accumulates 9 tardies overall during a nine-week grading period, the student will receive a discipline referral. Students who have multiple tardies, attendance and discipline issues may lose privileges of participating in extra-curricular activities.

Athletes are to be in attendance no less than half of his/her classes to be eligible for scheduled practices or games.
