

# The Pride of the Beaches

## From Your Principal, Dean Ledford

Hello Senators!

With the 22/23 school year up and running, we have made great strides in academics, performing arts and athletics. We are approaching the end of the first semester and we encourage you to come out and enjoy an athletic event or extra-curricular performance during the next few months. You can check out our school website [www.duvalschools.org/fhs](http://www.duvalschools.org/fhs) for announcements about upcoming events and performances.

The continuous improvement in overall academics was evident in our first round of our progress monitoring assessments. Fletcher students outscored the state in Language Arts 9th and 10th grade. We will continue to challenge our students to show improvement during their second round of progress monitoring assessments, which will begin Nov 28. The PMAs provide a snapshot of students' progress at this point in time. Teachers will review this data, meet with each student, and plan a path to success for the remainder of the school year. This strategy will help ensure students demonstrate mastery in their classes and on state assessments. After the assessment, students should be able to articulate to you how they are doing now, and what they need to do in order to show improvement.

A huge congratulations goes out to Grant Tucker, Patrick Byrd, and Zachary Andrews for being 2023 National Merit Semifinalists.

Not only have we reached outstanding marks in academics, but we have also accomplished great things in athletics. Girls Swimming won the Gateway Conference Championship. Both our Girls and Boys Swimming and Diving Teams had great results at Regionals. Our Volleyball Team competed in the Gateway Championship Game. Fletcher's Football Team also won the District Championship. Our Winter Sports have begun, and we have attached their schedules in this newsletter.

The FHS faculty and administration strongly encourages all of our parents to monitor your child's grades and attendance through FOCUS. We recommend checking this information at least once a week. Frequent progress monitoring and communication with your child's teachers is highly correlated with student success in high school. If you are still in need of a parent log-in, please visit the Duval County Website and follow the link for Parent Portal information.

Again, thank you for your continued support and we look forward to seeing you at our various fall and winter events. Feel free to contact your students' teachers for available times to meet with you to discuss students' progress. We will continue to raise the standard of excellence at Fletcher High School in order to maintain our goal of being recognized as one of the premier high schools in the county. Thank you for all that you do, and as always Go Senators!!

### Parents

#### DCPS Email

Parents/guardians should encourage students to check their DCPS email on a weekly basis. School counselors, teachers, and administration distribute and communicate important information via student, DCPS emails.

#### Update Contact Information

Check your address, phone number and email address in your parent/guardian FOCUS account to confirm its accuracy. Please contact the school at 904-247-5905 to update your contact information, if needed.

### All Students

#### Online Course Requirement

All students who entered high school in the year 2011-12 and after are required to take a class online, in order to graduate. Here in Duval County, we use the website [www.FLVS.net](http://www.FLVS.net). Feel free to peruse the courses that Florida Virtual offers students and if you have any questions contact your student's counselor.

### Underclassmen (9th – 11th)

- School counselors presented in 9th and 10th grade during the month of October and November. The information and PowerPoint utilized during this meeting can be found at the following link: <https://dcps.duvalschools.org/domain/7294>. School counselors will present in 11th grade classrooms at the end of November and beginning of December.
- Schedule changes have been completed for the first semester. You should not be in any classes you have already passed and received credit for in high school.
- Every grade you make in grades 9-11 will be what appears on your initial transcript that colleges see when you are applying for college your senior year! So, keep in mind that **EVERY GRADE MATTERS!**
- Bright Futures – Your academic classes, including world language, grades 9-12, are what will determine your GPA for Bright Futures Scholarship eligibility. This is one of the scholarships for which you don't have to compete against other students – you earn it – you get it!
- Juniors can sign up for college seminars in Guidance when they are announced.

## Seniors

Planning on college? This is what you should be doing NOW!

- Taking/retaking the SAT ([www.collegeboard.org](http://www.collegeboard.org)) and/or ACT ([www.actstudent.org](http://www.actstudent.org))
- Making final decisions on the colleges to which you want to apply. If you know where you are going to apply, you should go ahead and apply this semester.
- Applying to college
  - Apply online at the college's website ([www.flvc.org](http://www.flvc.org) has all the state schools' website addresses).
  - Pay the application fee.
  - Come to the registrar in Guidance and sign-up to have your transcript sent.
- Visiting college websites. We also have reference books with addresses and phone numbers for all the college and university admissions offices. Don't forget to use [www.google.com](http://www.google.com) to do a quick search as well!
- Signing up for college seminars in Guidance with Ms. Gonzalez.
- Making sure your schedule contains all the classes needed for graduation.

## TRANSCRIPTS

Students MUST send a transcript to every college to which they apply. This does not happen automatically. Students will need to see the Registrar in the Guidance Office to sign the log requesting that transcripts be sent.

## SENIOR MEETINGS

Counselors met with students, planning to graduate in the Spring of 2023, during the last week of September. Topics discussed during the meeting included the following: graduation requirements, SAT and ACT testing dates and scores, Bright Futures Scholarship requirements, ASVAB testing, financial aid information, community service, National Collegiate Athletic Association (NCAA), college selection tips and postsecondary readiness scores. The resources can be found at the following link: <https://dcps.duvalschools.org/domain/7294>

School counselors will be meeting with the seniors from November 15th-18th during their English classes, to share Financial Aid information. Presenters from UNF and FSCJ will be here assisting with this information. The counselors will also be helping the students complete their Bright Futures applications during this session.

## BRIGHT FUTURES

- Applying – Seniors will be given specific instructions on how to apply for Bright Futures. The application opened on October 1st. Make sure you put down our school code (100-800) when taking the SAT/ACT. If you have taken the SAT/ACT outside of Duval County, you need to contact the appropriate testing service and request that your scores are sent to Fletcher High School.
- Community Service – ALL Bright Futures scholarships require community service hours. Forms for documenting the hours are located in the Guidance Office and on the school website (<https://dcps.duvalschools.org/domain/7294>). We will accept these until May. See chart below for specific hours.

Type	16 High School Course Credits	High School Weighted Bright Futures GPA	College Entrance Exams by High School Graduation Year (ACT/SAT <sup>®</sup> )	Service Hours
