

# The Pride of the Beaches

## From Your Principal, Dean Ledford

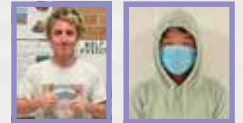

Hello Senators!

With the 24/25 school year up and running, we have made great strides in academics, performing arts and athletics. We are approaching the end of the first semester, and we encourage you to come out and enjoy an athletic event or extra-curricular performance during the next few months. You can check out our school website [www.duvalschools.org/fhs](http://www.duvalschools.org/fhs) for announcements

about upcoming events and performances.

The continuous improvement in overall academics was evident in our first round of progress monitoring assessments. Fletcher students outscored our previous year's performance in Geometry and Biology. We will continue to challenge our students to show improvement during their second round of progress monitoring assessments, which will begin at the end of November. The PMAs provide a snapshot of students' progress at this point in time. Teachers will review this data, meet with each student, and plan a path to success for the remainder of the school year. This strategy will help ensure students demonstrate mastery in their classes and on state assessments. After the assessment, students should be able to articulate to you how they are doing now, and what they need to do to show improvement.

A huge congratulations goes out to Maxwell Fitzgerald and Justin Sreng for being named Semifinalist for the National Merit Scholarship. We would also like to congratulate Eliana Blank, Mason Fisher, Nolen Khalili and Charlotte O'Donnell for receiving letters of commendation. The Fletcher High School Band competed throughout the season and has advanced to the State Championships. The National Art Honor Society will have a booth at the North Beach Art Walk on November 21st from 5 to 8 p.m.

Not only have we reached outstanding marks in academics and the arts, but we have also accomplished great things in athletics. Both Girls and Boys Swimming and Diving won the Gateway Championship as well as the District Championship. Boy's Golf won the Gateway Conference Championship and District Championship. Our Winter Sports have begun, and we have attached their schedules in this newsletter.

The FHS faculty and administration strongly encourages all our parents to monitor your child's grades and attendance through FOCUS. We recommend checking this information at least once a week. Frequent progress monitoring and communication with your child's teachers is highly correlated with student success in high school. If you are still in need of a parent log-in, please visit the Duval County Website and follow the link for Parent Portal information.

Again, thank you for your continued support and we look forward to seeing you at our various fall and winter events. Feel free to contact your students' teachers for available times to meet with you to discuss students' progress. We will continue to raise the standard of excellence at Fletcher High School to maintain our goal of being recognized as one of the premier high schools in the county. Thank you for all that you do, and as always Go Senators!!

School counselors will be meeting with the seniors from December 3rd-6th during their English classes, to share financial aid information. During this time, students will have the opportunity to complete their Bright Futures applications. Please note, Bright Futures evaluates official test scores for the FDOE repository. To ensure your official test scores are received, they must be sent to one of Florida's state universities or Bright Futures.

Community Service/Work Hours – **ALL** Bright Futures scholarships require community service and/or work hours. Forms for documenting the hours are in the Guidance Office and on the school website (<https://dcps.duvalschools.org/o/dfhs/page/fletcher-high-guidance>). We will accept these until May.

### AICE Curriculum and Bright Futures

Students who have demonstrated academic merit through a recognition program may be eligible for Bright Futures without having to meet one or more of the requirements. Please refer to the table below for how to qualify based on one of the merit recognition programs.

#### AICE Curriculum

- Complete a minimum of 14 AICE credits\* identified by the Cambridge Assessment International Education (Cambridge International) in the Diploma Core and three academi areas as follows:
  - AICE Diploma Core–AICE Global Perspectives & Research AS level (Two Credits required)
  - Group 1–Mathmatics and Sciences (Two Credits required)
  - Group 2–Languages (Two Credits required)
  - Group 3–Arts and Humanities (Two Credits required)
  - Group 4–Interdisciplinary Skills (Optional–Four Credits maximum)
  - Six additional credits required in any combination from the above four groups.

\*Students earn one credit by completing and passing one AICE full credit course and another credit for taking the corresponding AICE examination.

#### Scholarships

Many scholarships are offered directly from the colleges to which you are applying.

The FAFSA (opens December 2024) should be filled out by ALL seniors. Beware of scholarship scams! You should NEVER have to pay for scholarship information.

### Underclassmen (9th – 11th)

- School counselors presented in 9th and 10th grade classrooms during the months of August and October, respectively. School counselors will present in 11th grade classrooms at the end of November.
- Schedule changes have been completed for the first semester. Students should not be in any classes they have already passed and received credit for in high school.
- Every grade you make in grades 9-11 will appear on your initial transcript that colleges see when you are applying for college your senior year! So, keep in mind that EVERY GRADE MATTERS!
- Bright Futures – Your academic classes, including world language, grades 9-12, are what will determine your GPA for Bright Futures Scholarship eligibility. This is one of the scholarships for which you don't have to compete against other students – you earn it – you get it!
- We encourage students from all grade levels to sign up for college seminars in the Guidance Office when they are announced.

We encourage students to view the college/university's website to see if the CLT is accepted for admissions purposes.
