Principal's Message

Our Mission... Each student is Prompt, Polite and Prepared.

Our Vision... Each student will graduate with the skills necessary to be successful in college or in a career.

Dear Eagle Family,

What an OUTSTANDING START to another school year! We are on the right track to make this another successful year. The teachers, students and you (the parents) have been very patient while, Mrs. Emmerling, Mr. Hiers and the Guidance Counselors have worked through the scheduling process. Class sizes are up in our electives and most core classes are closed. When you have a great tradition, students and parents want to be part of the success.

The campus cleanup with staff and students was a tremendous success with over 100 students and staff working together to make our campus look amazing for the start! My administrative team members work hand in hand with testing, safety and security of the campus, and making sure students are engaged in class and learning the skills necessary to make them successful upon graduation.

As I walk the hallways and visit classrooms, the staff and students are reaching the highest academic expectations. All different styles of learning modalities are being exhibited in the classrooms and rigorous questioning and student led discussions to solve problems should be in every class, not an exception. It is impressive to walk in the classroom and see the students actively involved in the learning process. The academic expectations are high.

The continued improvement and accomplishment of higher academic expectations takes a great deal of planning, time, and effort. I am confident that in our working together, we will do **"whatever it takes"** to ensure that every student will reach the highest academic level possible. Our mission is to make sure our students are prompt, polite, and prepared to meet the challenges they will face upon graduation. Our Vision that each student will graduate with the skills necessary to be successful in college or in a career is always a part of everyone's discussion with our students.

Seniors

On September 16th, we held our annual Senior Night. Links to the information presented at this meeting are on the Senior Information portion of the GJHS website. Students and parents received information on graduation, senior activities, yearbooks, college application process, post-secondary planning and financial aid. For the most up to date information, refer to the 'Class of 2025 Senior Information' link under Announcements on the main page of our website.

Senior conferences will take place during the month of October. Students should refer to their school email for a link to sign up for their preferred date and time. When the time/date is selected, the student will receive a confirmation email that can be used as a pass to attend the conference. Students should review graduation status on Student Portal and think about plans for after graduation to make a plan for graduation and post-secondary plans in the senior meeting.

FAFSA will open on December 1st. Our annual Financial Aid Night will take place in December. Seniors and their parents should plan to attend and be ready to complete the Free Application for Federal Student Aid and a college financial aid advisor will be there to help. For now, students and parents can create their FAFSA account and get their FSA ID at www.studentaid.gov which is needed prior to completing the FAFSA.

Need help completing college applications, Common App, or SSAR?

These applications can be difficult, confusing, and time consuming! Counselors will be holding help sessions for seniors working to complete their college applications, the Common Application, or the SSAR. Many colleges require a Student Self Reported Academic record (SSAR) instead of a transcript. Also, students wanting to get a head start on completing the FAFSA can create their FAFSA account and obtain their FSA ID. Counselors will be in the Media Center every Wednesday in October after school from 2:00-2:45 to assist student in the completion of any of these steps in the college application process.

Sophomores & Juniors: PSAT is coming, October 9th!!!

The PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholar Qualifying Test) will be administered on Wednesday, October 9th at GJHS during 1st and 3rd periods. The PSAT, from the College Board, the same company that creates the SAT and AP, is a comprehensive program that helps put students on the path to college. It measures critical reading, mathematics, and writing skills and is the best indicator of how a student will perform on the SAT. This test is important to juniors as it is the only qualifying test for National Merit Scholarship Programs. Taking the PSAT gives students access to SAT practice with College Board and Khan Academy. This test preparation is free and personalized based on the PSAT results. All sophomores will be tested without fees. Juniors were required to register and pay for this test: \$12. If sophomores score well, plan to sign up to test as a junior next August. For test results, emails will be sent to students from College Board when their test scores are available to access online. For more information, visit www.collegeboard.com and www.nationalmerit.org.

A Message from the GJHS

Technology Office

Welcome to the 2024-2025 school year. We have been working to get a PCPS laptop to every student starting the first week of school. If your student does not have one yet, they can come down to the Media Center and have one checked out to them. *Personal laptops are no longer allowed to be used during school hours so please keep them at home.* The School District has partnered with a company to insure the laptops at a very reasonable price, just \$29.00. (Accidents happen) and it covers anything that can happen to the laptop. This can be done online, also a flier was placed in your student's packet at the beginning of the year (We have fliers available at school). It is transferable so it can be moved to another device if necessary. If your student has an issue with the laptop, they can bring it to the Media Center, and we can take a look at the issue and get it going again or replace it if we cannot repair the device quickly.

Key Club

Key Club will be meeting on the first Tuesday of each month after school in the Media Center. Our next meeting will be on October 1st. Anyone interested is encouraged to attend. Key Club is a great way to get involved in a club and earn community service hours with projects on campus and in the community. Applications are available in Student Services. Dues are \$25. Both the application and \$25 are due by our November meeting on November 5th.

Yearbook News

Picture Day

Underclassmen students (9th- 11th) took their school pictures on August 29th. If your student missed this opportunity or wants to retake their picture, retake day is scheduled for October 24th. Retakes are for students that previously purchased their pictures and are unsatisfied with them or were absent on August 29th. Original picture packets must be returned if the student would like to retake their picture.

Did You Forget to Purchase Your Student's Pictures?

Pictures are available for purchase online at www.leonards.com/photoprepay Access Code No = C620320 and just search by school name: **George W. Jenkins High School**

Senior or Business Ads

The last day to purchase a senior or business ad in the GJHS yearbook is November 17th. The yearbook staff will gladly design your ad and provide you with a proof before publication. If you have any questions please email Mrs. Salas at Jessica.salas@polk-fl.net.
