Dear L.A. Ainger Families,

Welcome to the 2024-2025 school year. I hope you had a wonderful and relaxing summer with family and friends. As we anxiously await the scores from the state, I do believe our students have achieved an A!!! Outstanding job by our students, teachers, and staff. We are excited to begin the new school year and continue our success for all.

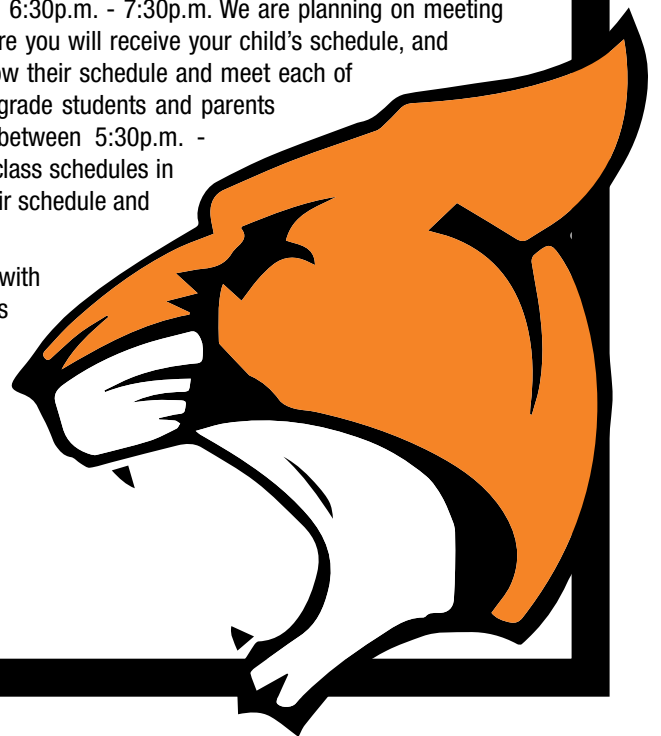

As we begin the new year, we have some policies from last year that will continue, but with minor changes. One: students will continue to need to wear their ID badges everyday. This year, students will be charged 5 dollars for an ID replacement. The IDs are now part of dress code as well, so there could be discipline should students not wear their ID's. The cell phone policy will continue this year as part of the legislation passed last year. The minor change will be that if students are found with the cellphone out during the school day, and a staff member has to confiscate it, a parent / guardian will need to pick the phone up. Please see our website for further details on other changes coming for the new school year as well as changes to the "Code of Conduct". We appreciate your support as we enter the new school year.

Sixth grade students and parents are cordially invited to attend our 6th grade Open House on Tuesday, August 8th from 6:30p.m. - 7:30p.m. We are planning on meeting in the gymnasium at 6:30p.m. where you will receive your child's schedule, and after our presentation, you will follow their schedule and meet each of your child's teachers. 7th and 8th grade students and parents are invited to come by anytime between 5:30p.m. - 6:30p.m. on August 8th to pick up class schedules in the cafeteria and you will follow their schedule and meet each of your child's teachers.

Again, we look forward to working with you. If you ever have any questions or concerns, please feel free to make an appointment or email us. Your child's success and positive experience at L.A. Ainger is our number one priority.

Sincerely,

Bruce A. Fourman  
Your Proud Principal

## Family Sponsorship Fundraiser

PTO supports our school, builds our community & provides educational enrichment for our children. This fundraiser is in lieu of sending students home with the task of selling door-to-door, collecting money & delivering goods. Please help us avoid that by supporting our PTO with your donation and helping us achieve our goals to support our students and faculty. We know families are busy and we thank you in advance for your support!

\*Due to Hurricane Ian, many are still cleaning up, including schools. In order to provide some of the same experiences we have in the past, we are hopeful and grateful for your donations!

- \$15 - I don't want to bake, so here's the money I would have spent on those cupcakes.
- \$25 I don't want to hit up friends, family & co-workers, so here is the money I would have spent buying wrapping paper.
- \$50 - I don't want to walk, swim or run in any activity that has the word run in it. Here's the money I would have spent on my child's "free" t-shirt
- \$75 - I don't want to attend any fancy balls, so here is the money I would have spent on a new outfit.
- \$100 - I really wouldn't have helped anyway, so here's \$100 to forget my name.
- \$\_\_\_\_\_ I am making this donation to express my appreciation for having nothing to buy, sell or do except fill out this form.
- I made my donation via Paypal.

## PE News

WELCOME...

Dear Parents/Guardians:

Our physical education department is very excited and looking forward to working with our students this year. You can expect us to be transparent, consistent, open-minded, and willing to assist our students in any way possible to help them succeed. We, in turn, will expect our students to be respectful, prepared for class and demonstrate good judgement and sportsmanship. Active participation in P.E. is a requirement as well as adherence to classroom rules and school policies.

**Dress:** Appropriate attire for participation in physical activities is strongly encouraged. This provides freedom of movement and safe participation for all our participants. Students are required to wear tennis shoes/sneakers both in the gym and on the field. Students may not wear sandals, crocs, slides or boots. If a student needs to borrow appropriate footwear, they may contact their coach for assistance. Students should plan to bring a water bottle with them to each class.

**Phones/Earbuds:** Students may not have cell phones, or earbuds, out during P.E. class. These items must be stored in the students' bookbags during the class period. They may not be brought out to the field under any circumstances.

Finally, good discipline is an absolute must for us to have a great physical education program. Any disruptive behavior which impairs our ability to teach will not be tolerated. Severe disruptive behavior will be redirected to the school's disciplinary team.

## Band

### Beginning Band

Welcome to our 2024 **exploratory** Beginning Band Members! This is a unique class that is being offered for the first semester of 6th grade with the option to continue second semester into "normal band". Since students don't have band in elementary school, this is their opportunity to try it and see if they like it!

#### A few highlights of the program:

- No experience is necessary. You'll learn to read and play music on an instrument of your choice.
- There are no outside of the school day commitments the first semester. You can do band AND other things.
- Starter instruments are provided by the school including flute, clarinet, trumpet, trombone, euphonium and percussion. Accessories to play them (cleaning supplies/reeds) will also be provided by the band boosters. Students will "audition" for their top two choices.
  - Students that choose to continue with band will also be eligible to play sax, oboe/bassoon, French horn, tuba, piano, bass, guitar and drum set.
- Band is fun! We will have some after school events and performances, but you are not obligated to attend them the first semester... but you might want to!
  - The famous Band Lock-in takes place in November
  - The EOY Band Trip will take place in May.

### 7th and 8th Grade Ensembles

Following our spring concerts in April, students completed a band retention google form. Students that indicated that they wanted to continue next year were given a placement letter and spoken with individually by Mr. Ostrow. For the new school year, our rising 6th and 7th graders were placed in Intermediate and Advanced Band. If they excelled and wanted to be in jazz band, they were also placed in jazz band. Students that are percussionists were placed in our percussion ensemble class.

**Congratulations to everyone!** Placement was based on instrumentation (balance of instruments), performance achievement (Beads), and daily class attendance. For example, if there are 40 returning clarinetists, the split was 20 and 20 in order from highest to lowest scores.

Please note, the class lists provided to the office do not guarantee placement in these ensembles as other factors such as TAG classes, state test scores, and other student requests might interfere. If you have a concern with your child's placement, please contact Mr. Ostrow immediately at [tim.ostrow@yourcharlotteschools.net](mailto:tim.ostrow@yourcharlotteschools.net).

### Band Parent Pizza Social

Our first event is our annual **Band Parent Pizza Social and Informational in the cafeteria on Thursday, August 22nd beginning at 6pm.** A free dinner will be provided for 6-8th grade band families. At this meeting, a general overview about band will be presented. Family and friends will also be invited to sponsor the band or sign up to assist throughout the school year.
