FROM THE PRINCIPAL

Dear Parents/Guardians,

I hope everyone had a wonderful Thanksgiving and time with family and friends. We have seen great effort and positive results in the classroom and in extracurricular activities this year and the break was well deserved. I am thankful to be a part of this school community where we care for one another and support our students in their individual journeys. We are truly fortunate to be part of this special place.

During this semester, we have witnessed success in the classroom and in our extracurricular programs. Over 1,200 students made the Honor Roll for the first grading period and were celebrated at our annual honor roll picnic. We also awarded 32 individuals with the Special Recognition Award for their effort in the classroom. In addition, we were well represented in state level competition in both athletics and performing arts. Our band received highest marks at their music assessment and they along with strings and chorus students showed their talents in their individual concerts. We are all looking forward to the Fine Arts Winter Showcase on December 5th and 6th. This combined concert is my favorite of the year because this event allows you to see the entirety of our wonderful performing arts program. In athletics, we again set the standard for North Florida. Our football team was district champions and entered post season play as a favorite for a state title. Cross country and volleyball finished wonderful seasons with individuals leading the area. Our bowling team competed at the state level and our boys golf team returned to state competition and placed in the top ten. Recently, our winter sports programs began their seasons with great success. I am proud of the way our performers and athletes carry themselves, both in competition and in our community. They are wonderful representatives of Lincoln High School and I applaud their hard work and dedication.

With the strong start we have enjoyed, I know these Trojans have much more in store for us all. We will continue our focus on effort and hard work and I look forward to watching our progress throughout the year. Thank you, Lincoln parents and community members, for the continued support as we strive to be the standard of excellence!

Go Trojans!

FUN WITH FACULTY & STAFF

Celebrate 3838 is Lincoln High School's version of a "Sunshine club". We like to be there to support Lincoln faculty & staff, while also sprinkling in joy and community events throughout the year. Our get together at Ology in September was a success and led to lots of good conversation and teambuilding. In October, teachers and staff celebrated the holiday season by painting pumpkins, as well as cheered on our Trojans at the Homecoming football game. We love our Trojan family and we bleed Green and Gold!

BAND

The Lincoln Trojan Marching Band had another successful marching season under the direction of Ms Hannah Haugen and Drum Majors Rowan De Greef and Sophia Clement. Special thanks to Ms. Haugen's staff, Alex Gesselman, Wyatt Collier, Tyler Fryson, Gianna Leto, Alyssa Coleman, Matt Belton, and Ben Sheehan. The Trojans are over 150 members strong with Color Guard, Drum Line, front percussion ensemble, and winds.

The band took a virtual trip through New York City with their 2024 Marching show, "Empire State of Mind". The performance included music from the Broadway hit, Fame, and chart topping hits by Alicia Keys and Billy Joel; featuring mellophones Tatum Tschetter and Zoe Garven, and tenor saxophone, Kaylee Barwick. Featured Guard solos included Ashanti Griffen, Jackson Flowers, Catherine Pierce, Sadie West and Caroline Fraser.

The Trojans competed in the Fleming Island High School Golden Eagle Classic and placed 2nd overall with Superior and Superior with Distinction in multiple categories. They made their final performance of the season at the District 3 Marching Music Performance Assessments with Straight Superiors. The Trojan Marching Band is looking forward to traveling to New York City at Spring Break to march in the historic New York City Saint Patrick's Day parade, where they will also tour the city, cruise the Hudson River, and see the Statue of Liberty, Ground Zero, and a Broadway Show! Congratulations to the Lincoln Band for their amazing 2024 Marching Season!

BIG FUN IN A MINIATURE PACKAGE

Beginning Art students at Lincoln High School are making Big strides while working with small devices. 2D Art students picked small objects to represent themselves in a still-life drawing project. The artists selected 5-7 items ranging from keychains to concert tickets to lipgloss, then set off to draw them realistically-- including shadows as well as the push pins/tape used to hold items in place! 📌

3D Art 1 students are also working with small objects that represent themselves-- but instead of drawing the items they are sculpting them! Using polymer clay, students have been creating tiny 3D artworks to represent their personalities, interests, and hobbies.
