LETTER FROM THE PRINCIPAL

Dear PJHS Families,

Our second semester is under way, which means several exciting events have either already occurred, will occur, or are still ongoing. Our winter sports teams that include wrestling, boys and girls basketball, and cheerleading are finishing up their seasons. Our track and field teams are prepping for their season. Our Golden Jackets ShowChoir is in the middle of their competition season and our competitive clubs such as Math Counts, Mock Trial, Power of the Pen and Science Fair are preparing for their end of the year competitions.

February will bring several exciting opportunities for our students. On Friday, February 7, all of our students will experience the annual PJHS Career Day, which is organized by the Perry'sburg High School DECA Program. Over 40 presenters will be on campus to share what their careers are like and the pathways that are available to students who wish to pursue that.

On February 26 our Grade 8 students will once again visit Penta Career Center for an introductory view of what Penta has to offer. Students interested in enrolling in Penta may do so as early as their sophomore year of high school.

The week of February 17 will serve as our Winter Spirit Week to recognize our winter athletics and winter clubs. We will also conduct our second Jacket Way Raffle at the Spirit Assembly on Friday, February 21. This is also the date of our annual HIPP Student Body Dodgeball Tournament immediately after school.

When we return from our Spring Break (March 24 - 28) we will quickly jump into our Ohio State Testing Window. The dates of those tests are below:

- Tuesday, April 1 - ELA Day 1
- Thursday, April 3 - ELA Day 2
- Tuesday, April 15 - Math Day 1
- Thursday, April 17 - Math Day 2
- Tuesday, April 22 - Science Day 1 (8th Grade Only)
- Thursday, April 24 - Science Day 2 (8th Grade Only)

We ask that families try to avoid scheduling various appointments or trips during those testing dates as students will be required to make-up those state assessments.

On the Science OST Dates, our Grade 7 students will complete the YouScience Career Inventory. The YouScience SnapShot uses fun, engaging "brain games" to capture student aptitudes and then translate those aptitudes into real-world and high-demand career possibilities. On Tuesday, students will be completing the assessment while on Thursday students will explore their results and the possible career fields that best fit their aptitudes. As we get closer, more information will be sent to our Grade 7 Families.

Thank you again for your support of your students, our staff and our PJHS Community.

Go Jackets!

MATHCOUNTS

MathCounts is well underway and around twenty students come each week to attack challenging math problems. Working together, they complete problems that push their mathematical understanding beyond the typical classroom walls. We are so proud of all the students who come to work on math for fun after school each week. Ten of these students have qualified to move on to the next level of the competition against other schools in northwest Ohio. We will continue to practice and prepare for this competition that will take place in February. The following ten students will be moving on to the next level of competition: Hasrith Chatla, Eileen Chen, Dingzi Hong, Mithum Jayamaha, Teertha Kattamuri, Jonas Meyer, Ayaan Ravi Shankar, Anvita Sista, Eric Sun, and Ean Wilson. Congratulations and best of luck to these students as they continue competing.

TAYLOR SWIFT CLUB

The Taylor Swift Club is back in full swing! Our members created locker signs and voted on their favorite. We have also had fun making bracelets, trading stickers, and playing Taylor Swift-based games.

MOCK TRIAL

The dedicated, enthusiastic, and creative mock trial students have been learning their roles in preparation for the Middle School Mock Trial Showcase, which will take place in downtown Columbus on Friday, April 25, 2025. The student attorneys have been drafting direct-examination questions for their witnesses and learning that this part of a trial involves "shining the spotlight" on the witnesses to give them the chance to convince the judges of their credibility. Students will soon write cross-examination questions designed to "poke holes" in the other side's case. Student witnesses are working on memorizing their parts and figuring out how their characters can best contribute to the case.

In addition to preparing for the competition itself, the students are developing skills that will hopefully benefit them long into the future. Mock trial requires students to prepare and present coherent and persuasive arguments and to disagree respectfully and professionally with opponents. Although all of them do not aspire to be attorneys down the road, their coaches hope that they gain an appreciation for resolving disputes peacefully and fairly. Most importantly, the PJHS mock trial students have fun spending time together during after-school practices, supporting each other in challenging situations, and getting ready for their field trip to the exquisite Thomas J. Moyer Ohio Judicial Center in the spring.

We had a great time at the January PJHS lock-in. Students enjoyed a 2-hour, fun-filled event, including a slice of pizza and chips. Students had the opportunity to sing karaoke or play on an Ultimate Frisbee, Dodgeball, Volleyball, or Flag Football Team. There were lots of games, activities, and concessions throughout.

POWER OF THE PEN

The Power of the Pen season officially kicks off on February 8th at Tiffin Middle School. Twelve students will compete at the district tournament with the hopes of advancing to the regional tournament on March 8th. At each competition, students complete three rounds of writing, and they have 40 minutes to write a story to a given prompt. Students have been preparing since October and they're excited for the season to begin!

NOTES FROM THE NURSE

Are you ready to fight the flu this season?

The best protection against the flu is getting the flu vaccine.

What is the flu?

Influenza (flu) is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and sometimes the lungs. It can cause mild to severe illness.

What are flu symptoms?

Flu symptoms are different from a cold. Flu usually comes on suddenly.

People who have the flu often have some of all of these symptoms.

- Fever or feeling feverish/chills. It is important to note not everyone has a fever.
- Cough
- Sore throat
- Runny/stuffy nose
- Muscle or body aches
- Headaches
- Fatigue
- Some people may have vomiting and diarrhea

How Does the Flu Spread?

Most experts believe that flu viruses spread mainly by tiny droplets made when people with flu cough, sneeze or talk. These droplets may land in the mouth or nose of people who are nearby. A person might get the flu by touching a surface or object that has the flu virus on it and then touching their own mouth, nose, or eyes (the T-Zone).

Period of Contagiousness

People with the flu virus are most contagious in the first 3-4 days after the illness begins.

Preventing Seasonal Flu

The Centers for Disease Control and Prevention (CDC) recommends getting the flu vaccine every year. The CDC also recommends everyday preventive actions, such as:

- Staying away from people who are sick.
- Staying home from school if you are sick. This will help stop the spread of the illness!
- Cover your cough or sneezes with your sleeve (do not use your hands).
- Frequently washing your hands will help slow down the spread of germs.
- Do not put your fingers in your eyes, nose or mouth.

JACKET WAY

The PJHS Jacket Way Program continues to support students with positive behavior interventions as we move through the school year. This year, our 8th-grade students have been completing lessons related to the "Portrait of a Jacket." In January, they focused on being persistent innovators, and in February, they will engage in lessons aimed at developing thoughtful problem-solving skills.

The 7th-grade students recently participated in a lesson about the impact of rumors on individuals, which was led by our dedicated 8th-grade WEB Leaders.

Congratulations to the following students who were selected as our latest Jacket Way Subway winners: Macyn Clark, Violet Dulovich, Jonah Ketterman, Lauren Kramer, Bryson Nichols, Isabella Rodriguez, Summit Wilkinson, and Zoey Zimmerman. Congratulations to our staff winners as well: Mrs. Downs, Mrs. Hackney, and Mr. Peters.
