Mission

Polo Park Middle School will empower our students to attain their maximum potential through partnering with parents and the community to foster the understanding, cooperation, and communication skills necessary for students to become literate, productive citizens.

For the Parents, Staff, Students, and Community of Polo Park Middle School

Every School Day Counts

An estimated 5 million to 7.5 million U.S. students miss nearly a month of school each year.

Research shows that missing 10 percent of school days, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absence.

Chronic absence is a leading indicator that a student will drop out of high school.

When students improve their attendance rates, they improve their school performance.

Good attendance is an important life skill.

Parents play a key role in school attendance. Let your student know it is the expectation. Establish home-study routines and sleep habits that make attendance a non-issue. Encourage participation in school clubs, organizations, and sports. Monitor his/her progress and talk about it. Students who are engaged at home and at school rarely miss a day.

Beads, Fiber Arts & Crafts Club

The Beads, Fiber Arts & Crafts Club meets on Wednesday mornings at 8:15am. This is a fun club for students who are serious crafters. Students are in the process of creating their first project: stuffed felt letters that will form a name or word. They will spend the next few weeks working on this, and then on the next big craft!

The next project that is planned will be an amulet bag. Students will have an opportunity to weave a small bag on a loom and embellish it with beads and charms.

Future projects include painted sneakers, paper beads, and beaded bracelets. If your child is interested have them see Mrs. Bernstein in the Library Media Center for more information and a permission slip.

Students Design Engaging Brochure on the United States Citizenship Process

Students in 7th grade civics recently completed a project on citizenship. As part of the assignment, students were tasked with creating informative brochures that outlined the process of naturalization, including the necessary steps and requirements. Additionally, the brochures highlighted the responsibilities and obligations of U.S. citizens. The project provided students with a hands-on opportunity to learn about the importance of civic engagement and active participation in their community.

Lost Colony of Roanoke

Sixth grade U.S. History students are trying to solve the mystery about what happened to the lost colony of Roanoke. They worked together to create a hypothesis after analyzing primary and secondary sources. They even examined "real" evidence to support their theory.

Winners of our first Brainteaser

Media Center: From the Library Media Center

Things are off to a great start in the Library Media Center. After a virtual orientation, students learned the correct procedure for checking out books.

To stay informed of the wonderful activities happening at Polo Park's Library Media Center, we encourage everyone to join our Google Classroom. The code is dyjykkb. This is where students can participate in a weekly brainteaser, view library lunch activities and more! Students need to fill out a Library Club Permission slip to sign up and participate in activities. This form can be found on our Google Classroom.

Our first brainteaser was a candy quiz, and winners were selected randomly from the correct entries. As a reward, students received a candy bar and enjoyed the sweet treat.

In addition, we also had our first lunchtime activity on September 4th. Students gathered in the Library Media Center to eat lunch and play Harry Potter Trivia. It was a lot of fun for everyone.

We are also planning several activities for students to enjoy at Polo Park such as First Chapter Friday, Mrs. Bernstein's Birthday Bingo, Book Trailers and Popcorn, and a Mystery Monday. I hope to see lots of student participation.

But that's not all. We have a new reading program at Polo Park Middle School called Book Taco. Teachers will be using it in various ways in their ELA and reading classrooms. I will be using it for the library incentive programs. Students reading 500,000 words based on Book Taco quizzes will reach Taco Grande status. Students reading 1,000,000 words based on Book Taco will reach Taco Supreme status. Both groups will receive certificates and brag tags, those achieving Taco Supreme status will be invited to an end of the year celebration. Also, using Book Taco, students reading three or more Sunshine State Young Readers Award books will earn brag tags and an invitation to the Ice Cream Extravaganza held towards the end of the year.

Please encourage your child/children to make time for reading and visiting the library.

Happy reading, Mrs. Bernstein
