Principal's Message

Dear Pirate Community,

Welcome back! I hope that this newsletter finds you and your family healthy and safe. The summer is ending soon and we are very excited about the start of this upcoming coming school year. Our staff continues unabated in their effort to get our facility and classroom space ready for students for the first day of school on Tuesday, August 10th. We are excited to begin a new year at Port Charlotte High School and look forward to seeing all of our students back at school.

Although last year presented many challenges, our staff and students continued to perform at a high level. Academically, for the first time in school history, the class of 2021 graduated students with Advanced Placement (AP) Capstone and/or Cambridge AICE Diplomas. There were 373 industry certifications earned by our students, most ever. This increased performance in advanced level coursework was the foundation for our school being ranked first in Charlotte County for College Readiness by the US News and World Report. Our culture outside of the classroom is built on inclusivity, excellence in competition and performance, and a desire for all to get involved and stay involved at school which continues to be one of the most important contributors to student success.

For us to fully recover from the effects of last school year, it is imperative that our collective effort is focused on two things to improve student performance. First, now more than ever, we need to ensure that all of our students improve their rate of attendance and get to school. Poor attendance stands alone as a major reason why some of our students have fallen behind their peers. Families, teachers, and staff need to be united in our approach to increase the rate of attendance of our students. Second, between masks and social distancing, it was difficult at best for our teachers to have our students work in a collaborative and teamwork approach. I know that our staff is looking forward to doing what they do incredibly well, and that is working alongside our students in a cooperative learning environment to get our students re-engaged in the learning process.

A special welcome to our 9th grade students from the class of 2025! There are two opportunities for our newest members of our school community to become acclimated

For the Parents, Staff, Students and Community of Port Charlotte High School

Principal's Message

...continued

as they transition into high school. First, on July 30th, our school campus will be open from 8:00 am until 12:00 pm for our Freshmen Orientation program. Students and parents can come to campus to get a tour of the facility from an upperclassmen and are able to receive answers to questions they may have. Second, Open House is scheduled on Thursday, August 5th from 5:30 pm until 7:00 pm. All 9th grade students will meet in the big gym at 5:30 pm for a short presentation, receive their schedules, and meet their teachers.

Open House for upperclassmen will begin at 6:00 pm on Thursday, August 5th. Students can pick up their schedules from their first period teachers (first period rosters posted outside student office, CIC, and media center) and meet their teachers until 7:00 pm. Seniors and their parents will meet at 7:00 pm in the big gym to review all senior activities for the school year. It has been two years since our seniors have had the opportunity to participate in all of our amazing activities. I am looking forward to sharing those experiences once again with all of the members of the class of 2022! Seniors, remember, it is never too late to get involved.

We are looking forward to welcoming our students and families back to school in August. Please enjoy the time left in the summer. If you have questions about the start of the school year please contact the school at your convenience.

Mr. Long,
Principal

Freshmen Orientation

Freshmen orientation will occur on Friday, July 30th 8 am until 12 pm starting in the cafeteria. Students and their parents are invited to visit the school and be provided a tour of the facility by one of our student leaders. This tour of campus will help students become familiar with our school prior to open house and the first day of school. It will also be an excellent opportunity for families to ask questions about our school, academic programs, and extra-curricular activities. Lockers can be rented for $5 in the front office the day of Freshmen Orientation.

PRIDE OF PORT CHARLOTTE BANDS

Greetings from the Pride of Port Charlotte Bands! Plans and schedules for the Fall 2021/2022 school year edition of the Pride of Port Charlotte Marching Band have been finalized.

The Pride of Port Charlotte Marching Band helps spearhead the feelings of excitement, energy, and enthusiasm which are present in Pirates Cove every Friday night during a home game during the football season!

Our marching band, simply known as the Pride, begins preparations for its fall performances with our annual summer band camp. It is at this time that music and marching fundamentals are introduced, and the process for refinement and perfection is begun. Band camp involves intensive indoor playing sessions as well as physical activities, including marching outdoors, which will prepare our members for outdoor performances during the fall marching season. Students are STRONGLY encouraged to make plans now to attend ALL of our summer band camp(s) if they wish to participate in marching band. Students who are unable to attend camp, even in part, cannot be assured of a performance position within the marching band.

The Pride will hold its summer band camp at PCHS in two parts this year. The first week of band camp, which is designated as Rookie Camp, will be held from Monday July 19-Friday July 23, 2021. This camp is exclusively for all incoming Freshman and returning Sophomore students. Each day will begin at 9:00AM and will end at 2:00PM.

The second week of band camp will be held from Monday July 26-Friday July 30, 2021. This is when **all** classes and members are expected to attend. Each day will begin at 8:00AM and will end at 5:00PM. Friday the 30th's rehearsal will begin at 8:00AM and will end at 12:30PM. At the conclusion of the rehearsal on Friday, we will have a family cookout, followed by our end of camp performance for friends and family. During camp, marching band students will have access each day to a FREE breakfast and lunch in our cafeteria!

For further information, please contact: Mr. Corey Hoeben, Band Director at: Corey.Hoeben@yourcharlotteschools.net
