## Principal's Notes

Yellow Jacket Family, our mission at St. Augustine High School is to prepare all students for college and careers through rigorous and diverse programs of study which inspires good character and individual talents and abilities via an accepting and rewarding environment. SAHS is an AVID site and we focus on Writing, Inquiry, Collaboration, Organization, and Reading (W.I.C.O.R.) strategies for students and teachers. Inquiry is the "I" in WICOR, one of the five foundational characteristics of AVID's system of college readiness and success.

Inquiry—the asking of questions —makes us wonder, driving us to seek knowledge and understanding. As our students learn to develop and respond to compelling questions by looking more deeply into an issue or subject, students become curious and begin to experience the excitement of investigating questions that have no right or wrong answer. Ultimately, they realize that they can find answers themselves—thereby creating their own learning. As students learn to assume responsibility for their own learning, then become more successful academically, and are more likely to persist to graduation.

"Inquiry"—which derives from the Latin *quaerere*, meaning to ask or to seek ---has been identified as a key, if not the central, component of critical thinking. According to the Foundation of Critical Thinking, "thinking is not driven by answers but by questions... Only students who have questions are really thinking and learning. Moreover, the quality of the questions students ask determines the quality of the thinking they are doing."

Critical thinking as all forms of thinking that are more complex, deeper, and require a greater degree of reflection than that associated with mere acquisition of knowledge via memorization and rote recall of factual information.

Parents, I would like to remind you to check Home Access Center (HAC) weekly to view your child's academic progress and to encourage your child to attend school everyday! Also, the expectation is for all teachers to post assignments on Schoology. Please check your child's teacher Schoology page to get all assignments. If you have any questions, please email [michelle.davis@stjohns.k12.fl.us](mailto:michelle.davis@stjohns.k12.fl.us).

Congratulations to the Class of 2021 on this milestone in the AICE Program! Induction Certificates for students who did not attend the Induction Ceremony are available from Ms. Galloza, and AICE Pins are available from Ms. Bechtle.

The Spring 2020 AICE Exam Final Timetable will be emailed out in November to all AICE parent/student email addresses and will be available on the AICE Website. **Please make sure you consult this schedule and verify what exams your student will be taking before planning any summer trips!** **The Cambridge Spring Exam session typically runs into the middle of June – so PLEASE DOUBLE CHECK!** Your student can help identify the individual “Papers” associated with each of their AICE Level courses (no Pre-AICE exams will be given) & teachers will have the schedule and know the dates for the exams corresponding to their courses.

## SJCCA DANCE

**IN OUR ELEMENT**

21 n o v e m b e r 22

### Dance

The SJCCA Dance program is putting on a dance concert entitled, "In Our Element" on Thursday, November 21st and Friday, November 22nd at 7:00pm in the St. Augustine High School auditorium. The theme of this show is based on the elements: water, wind, fire, and Earth.

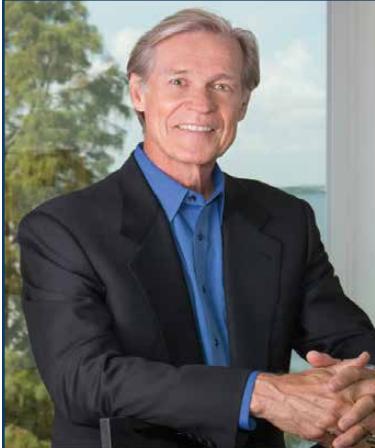

This dance concert will feature works from our dance director, Kaila Schippani, but also a piece from SJCSO curriculum specialist, Antonio Scott. SJCCA alum. Kiera Pheffer choreographed a contemporary ballet piece and also some student choreographers have set pieces to show off their creative abilities and leadership skills.

We are excited to introduce a new element (*see what we did there?*) to our performances and that is a live improvisation challenge (or "Improv. Challenge") where some of our bravest dancers volunteer to perform a 1 minute solo on stage to a surprise song. This means they will dress for any style of dance not knowing what song is going to play and try their best to show off their skills within 1 minute. An Improv. Challenge winner will be selected at each show.

We hope you can make it to one or both of our shows to support the talented dancers at St. Augustine High School. Tickets will be \$15 for adults and \$10 for students (with an ID). Follow our Instagram page: @sjccadance or check our website: [www.msschippanidance.weebly.com](http://www.msschippanidance.weebly.com) for information regarding online ticket sales this year!
