A Message From The Chief

Dear Parents,

As we approach the end of the first quarter, I want to compliment your children on their smooth transition into a new and exciting school year. At the start of the school year, we created some necessary focus on the "Code of Student Conduct" rules that are intended to keep our school safe and our climate positive.

These rules are more important than ever, and we continue to add school security/safety measures and features to keep our school as safe as possible.

I trust that your children's quarter grades will be an accurate assessment of their academic progress thus far given the time and energy they have applied to their studies. Thank you to all who could join us for our Open House and note that Parent Conference Night will be on October 22. Communication between parents and teachers is an important element in the formula for academic success. Please be frequent visitors to our campus and attend as many events as possible during your child's four years here. As senior parents will tell you, these four years go by very quickly.

I also encourage you to stay connected with what is happenings here at school using our school's website, our Focus online information system, these newsletters, connect calls, and our social media which are all great sources of updated information to use and stay tuned to your student's world. Stay in touch with teachers through e-mail and set up conferences with any teachers you wish to meet in person, anytime. Also, stay informed about all that is happening at VBHS by accessing our daily announcements from our website. I broadcast announcements live during second period daily, and then they are posted on the website for all to see.

These next few months are very important. Students are deep in their studies with heavy course loads, and this along with their busy lives can create "stress". Please try to help your student(s) to reduce undue stress by working with them to improve their life management skills in staying organized, compartmentalizing their responsibilities, and becoming task completers. Their hard work now will create opportunities for them later. Our 1st Quarter of the school year ends on 10/11 and the semester ends on 12/20.

Thank you for your continued support of our educational mission at Vero Beach High School and for sharing your children with us.

For the VBHS Family,

Shawn O'Keefe
Principal

September is Attendance Awareness Month

September is Attendance Awareness month. Our superintendent Dr. Moore has challenged all schools across the district to achieve a 95% attendance rate.

It is important for your student to be present and on time each and every school day. Students with regular attendance are more likely to be successful in all academic areas. Research shows that missing 10 percent of the school year – just 18 days – negatively affects a student’s academic performance.

Attendance matters here at Vero Beach High School. Parents, to obtain an excused absence for your student, report the absence in writing or by phone within 48 hours. The attendance line at the main campus is 772-564-5555. The attendance line at the Freshman Learning Campus is 772-564-5676. A list of approved excused absence types can be found in the SDIRC Code of Student Conduct.

90% Attendance, Tardy Policies, and Procedures

VBHS has a 90% Attendance Policy, which means students must attend 90% of their classes in order to participate in sports, extracurricular activities, clubs and/or privileges (parking, dances, Grad Bash, Prom, etc.). Students may participate in practices, rehearsals, etc. but may not participate, compete, or perform in athletic games, performances, and extracurricular events until they are in compliance with the 90% Attendance Policy.

Please note that for a tardy to be excused, a parent/guardian must physically sign the student in at the attendance desk or the student needs to provide a medical or court note for the time missed. NO phone calls to excuse a tardy. If a student has been called out of class by attendance to be able to leave campus, the student must sign out at the attendance desk and receive a pass to leave campus for the absence to be excused. To have a student called to leave campus, you must be on the contact list in Focus. There is also no early release for students after 1:22pm.

TARDY POLICY

The following Tardy Policy is in place for the 2024-25 school year. We want all parents and students to be aware of it. This is a concern that we do all we can to help assist students getting to class on time!

All late students who are not signed in by a parent/guardian at the attendance desk or do not have verification of a medical appointment will report to the cafeteria and then be escorted back to class. If a student arrives at the tardy room twenty or more minutes after the late bell, the student will be coded as ABSENT for the entire period. Parents/guardians CANNOT phone in a tardy excuse. Upon the next class change the tardy students will then transition to their next class.

When a student receives their 4th tardy (total, not per class) they will be assigned a detention or a Saturday School. If a student receives their 5th tardy they will receive another Saturday School. If a student receives 6 or more tardies per grading period, the student may be suspended for defiance/non-compliance for up to 2 days

Definition of Tardy per School Board: A late arrival is defined as arriving to school after the designated starting time. A tardy is defined as an arrival to class after the designated starting time or the tardy signal has sounded. When tardies become excessive (4) or more times per nine week grading period, the parent/guardian will be notified by administration and appropriate consequence administered. If the problem continues, a progression of actions will be taken by the administration to address the problem.

At Vero Beach High School, tardies are now concurrent for all classes (not per class) and will run through each nine weeks grading period. Teachers will be instructed to close their doors when the tardy bell rings and no student will be permitted in after the bell rings. All late students will report to the cafeteria and sign in and receive the generated pass so they can gain entrance to that period. Students will not be permitted into a class after the late bell without a generated pass in an effort to maintain student accountability.

HOSA Blood Drive

HOSA students hosted their first One Blood blood drive of the school year. HOSA students provide support to the One Blood staff by registering students who donate. They also monitor busses and student after they have donated and escort students back to class when they are finished. Students and staff who donate are given a gift and provided food and snacks throughout the process along with a pizza lunch.

Did you know there are approximately 3 million people in the US who receive blood each year? There are approximately 26,000 units of blood transfused each day. This is why your donation is so important.

Our next blood drive will be Thursday, Oct 31, 2024, where you can get your "Spooktacular" One Blood T-shirt. Thank you to teachers, students and staff for support the HOSA Blood Drive.

New Media Center

The newly renovated media center is now open! Students have already been enjoying the space and are allowed to eat lunch in the media center as long as the food is wrapped (no lunch trays with open food). During lunches, students can also visit Indian Outfitters in their new space inside the media center. Students can eat and shop for their favorite VBHS gear.

This month we hosted college visits from FIT, USF, FSU, Miami, and UF. Students were able to ask questions and learn about the different opportunities at each university. The IRC Library also visited. They distributed information on the different events that they offer. The library also issued county library cards for students who needed or wanted one.

Books are returning to the media center! The Computer Genius Bar furniture and bookshelves were delivered over the September 14th weekend. We have started the process of moving the books to the new shelves and putting them into genres. We want our space to look and feel like a real bookstore. The Genius Bar is now set up to assist students with their laptops. Charging stations and minor repairs are also available daily.

Lastly, Vero Bean has been working diligently to prepare their newly renovated space. It will look and feel just like a real coffee shop with high top tables, booths, workspace areas, and of course, freshly brewed coffee. Stay tuned for their grand opening announcement!
