A newsletter for the Parents, Students, Teachers and Staff of Walkersville High School

A MESSAGE FROM THE PRINCIPAL

Dear Walkersville Community,

It has been quite a start to a very different school year, that is for sure. But, regardless of the challenges, I have been so impressed with the hard work of our teachers, staff, and especially students. I have also been so appreciative of the parent and community support Walkersville has provided to us all. Can I just mention how amazing our parent groups are? I have had the pleasure of joining PTSA as well as many booster meetings this year, and I am in awe of the hard work of these groups. Additionally, our administrative team has been in and out of virtual classes and are impressed with the work we are seeing. While things are different, some things are very much the same, and we appreciate the rigor and flexibility our teachers are demonstrating. My only request for improvement as we continue to move forward in the virtual setting is to encourage your student to turn their camera on during class. Not only do we love seeing everyone's faces, it helps to bring a better sense of community, and that is very much needed as we are apart.

During these first few weeks back we have begun implementing small groups with great success. We are excited to continue expanding the groups, as able, in the upcoming weeks. Return to Play (RTP) has gone well for our fall sports, and are off to a great start with spring sports. Winter RTP is set to commence at the end of October. Other celebrations and successes have included our band hosting a successful Virtual Band Camp, followed by active participation in RTP. Our theater students also provided a wonderful Virtual Play "Hamlet Abridged," in early October. I have had the chance to meet SGA and Senior Class Executive members during some virtual FLEX meetings, and am looking forward, as I know you all are, at adding more activities for our students.

As we enter into term 2 we want to remind families that if you need any academic assistance, we have evening ELO hours from 5-7p.m. Monday-Thursdays. You can find information on the school website under the 'Parents & Students' tab. Additionally, please feel free to reach out to our counseling or administrative teams for anything you need! We are here to assist and work with you and your family. Thank you for all you do to support your student and our school. Walkersville is an amazing community, and I know how lucky I am to be a Lion this year!

Sincerely,
Dr. Stephanie Ware
Principal

ACTIVITIES AND CASUALS

Activities and casuals can also be submitted on the yearbook section of the WHS homepage. Last day to submit is November 13th. Please make every effort to submit a casual as we would like to highlight them in a new way this year!

WHS MUSIC BOOSTERS

The Music Boosters exist to promote and support the interests and activities of the Walkersville High School Music Department and to provide moral and financial support to all WHS music programs.

The Marching Band has been practicing virtually and outdoors in socially distanced small groups this marching season to prepare for any upcoming performances, and to further their skills.

The band has been growing significantly each year and was short on uniforms last year, so we purchased 30 additional uniforms this offseason to add to the current 35. Please consider donating to this valuable program at <http://www.lions-music.org/> as funds are still needed to replace irreparable instruments and uniform hats.

We have multiple fundraisers that take place throughout the year. We will be selling Butter Braids very soon. Check out our website at <http://www.lions-music.org/> to get detailed information on how you can participate. Your continued support of the music program is greatly appreciated.

Please contact Vance Whitehouse, Music Booster President, at president@lions-music.org if you have any questions.

YEARBOOK ANNOUNCEMENTS

Senior Ads

The yearbook is currently accepting senior ads. You can submit your photos, messages, and payment online at the WHS homepage. Go to "Yearbook" under "Quick links" on the left and then choose "Senior Ads." Please note that prices increase by \$10 each month so get yours in soon to save money!

Yearbook Sales

Sales are now up and running! The book will be around 176 pages. If you purchase before 2021, it's only \$60 but the price will increase once the New Year comes! **Go to Jostens.com to order yours today!**

SENIOR FORMALS

Thanks to everyone who came out for senior formals! It was so great to see you all in cap and gown! Please note that make-ups and retakes will take place on Nov. 6th and 9th. A Find out First was sent out with information on how to sign up for a time. It is free to sit for your yearbook photo. Yearbook photos are being taken in cap and gown this year so that students do not have to share clothes to be included in the yearbook. You only need to pay if you are purchasing additional photos from Victor O'Neill Studios. Parents can choose to purchase tux/drape photos taken for personal memories but a waiver will be required since those materials are shared.

COUNSELING OFFICE SERVICES

- **TRANSCRIPTS - OFFICIAL transcripts are FREE upon request from current students.** Please allow 24 hours' notice **for transcript only requests; contact Ms. Shipe in the Counseling Office.** There is also no charge if requesting an **electronic transcript** through Naviance. *Please allow two weeks processing time for letters of recommendation. All hard copies of completed correspondence, letters of recommendation, and transcripts are to be picked up from the Counseling Office and must be mailed by the student.*
- **DUPLICATE DIPLOMA REQUESTS** – There is a \$15.00 fee for a duplicate diploma. Checks should be made payable to and mailed to Frederick County Public Schools (191 East Street, Frederick, MD) to the attention of Debbie Foreman. Include the following information: Full legal name at the time of graduation; school of graduation; year of graduation; current address and phone numbers. Please allow up to 5 weeks for processing.

PROOF OF RESIDENCY

Have you moved? Did you know that whenever you move, you must provide your child's school with a current (within 30 days) proof of residency? This is a Maryland state requirement. Acceptable proof of residency is as follows (only **one** of the following is required):

- **Current Lease/Rental Agreement signed by both the landlord and the biological parent/legal guardian the student is residing with.** If the lease is in a name of **someone other than the biological parent/legal guardian, a Parent Residency Affidavit will also have to be completed in the presence of a notary and provided along with the lease. The Parent Residency Affidavit may be found by going to www.fcps.org, forms, and Student Services Forms.**
- **Current Utility Bill (gas, electric, water/sewer bill) in the name of the biological parent/legal guardian the student is residing with.** If the bill is in a name of **someone other than the biological parent/legal guardian, a Parent Residency Affidavit will also have to be completed in the presence of a notary and provided along with the utility bill. The Parent Residency Affidavit may be found by going to www.fcps.org, forms, and Student Services Forms.**

Please note that we are unable to accept cable, phone, or insurance bills as proof of residency.

TRANSPORTATION

FCPS provides public transportation to/from a student's **residence** only. Transportation to jobs, social meetings, and other non-school events is a parental responsibility. Students may ride only their assigned bus. Inviting friends home on the bus makes it hard for schools and bus drivers to account for students and can cause bus capacity problems. **In an emergency,** principals may approve a parent's request to allow a child to ride another bus (bus drivers will need a note signed by both students' parents and school administration).

ENROLLMENT APPOINTMENTS

Student enrollments are currently being done virtually. We do NOT do walk-in appointments. To begin the process, please go to www.fcps.org, For Families & Students, Enrolling a Student, and follow the instructions for creating an account. Be prepared to upload the following mandatory documents:

- Birth certificate
- Immunization record
- Current proof of residency in the name of a biological parent/legal guardian with which the student resides. Please refer to the Proof of Residency section of this newsletter for acceptable documents.
- Proof of identity for the biological parent/legal guardian
- Custody paperwork signed by a judge of the court, if applicable

You will also need to contact the transferring school to get a copy of the student's transcript, most recent report card, and any applicable IEP/504 accommodation plans. As a biological parent/legal guardian, you have educational rights to this information.

Once you have submitted the enrollment application and bulleted documentation, you will be contacted by our Registrar, Mrs. Meyer, to complete the enrollment process. If there are extenuating circumstances prohibiting you from uploading the mandatory documents, please contact Mrs. Meyer at deanna.meyer@fcps.org.

Parents who can't remember their username and/or password can contact the Counseling Office at 240-236-7209. More information on interim and end-of-term dates can be found in your child's FCPS school calendar or at: <https://www.fcps.org/student-services/grades-report-cards>.
